*Prior to use, the user shall independently determine the suitability of the products for the user's intended use and user assumes all risk and liability whatsoever in connection therewith.*

UN/ADR-certified BAG-IN-BOX

## UN/ADR CERTIFIED BAG IN BOX CONCEPT

All sizes of our bag in box UN packaging have passed rigorous performance tests such as drop, stacking, vibration and cobb water absorption tests.

The bag-in-box packaging must be packed properly to ensure complete compliance and consists of our unique cubic shaped Cheertainer® in combination with designated box and tape / glue.
